特色

#7 每个人都能徒手写递归神经网络–手把手教你写一个RNN

总结： 我总是从迷你程序中学到很多。这个教程用python写了一个很简单迷你程序讲解递归神经网络。

递归神经网络即RNN和一般神经网络有什么不同？出门左转我们一篇博客已经讲过了，传统的神经网络不能够基于前面的已分类场景来推断接下来的场景分类，但是RNN确有一定记忆功能。废话少说，上图：
